ADVANCED REPORTING- BETTER DATA, BETTER DECISIONS

Advanced reporting is all about visibility and analysis. We have designed it to help you integrate VAT recovery into your process, driving compliance and maximising recovery.

STANDARD AND ADVANCED REPORTING FEATURES

Features	Standard	Advanced
Accessibility – Online reporting, available 24/7	✓	✓
Real Time – Reports are updated and made available in real time.	✓	✓
Control – Drill down from HQ level to Entity level and from Application level down to the granular Transaction Level data.	✓	✓
Analysis – Export data out of our reporting engine for further analysis in a single click.	✓	✓
Visibility – View progress of applications, throughout the entire process	✓	✓
Sophisticated Reports – VAT Registrations, Compliance, VAT Returns and Foreign / Domestic VAT Recovery all available at your finger tips.	✓	✓
Reconciliation – Includes Expense Report Number and Transaction Number to reconcile recovery reports back to the source data in your Expense Management System.		✓
Integration – Includes Accounting and General Ledger Codes in Domestic and Foreign VAT Reports to enable automatic integration with your ERP, without the need to manually recode transactions.		✓
Advanced Search – Manipulate your data for increased control and visibility. Search by Country, Entity, Tax Year, ER number, Payment ID, Application Type, Application Status, Payment Status and Transaction Date		✓
Allocate – Allocate VAT Refunds back to the department that had the original spend to drive increased compliance and maximising VAT recovery.		✓
Compliance – We calculate the potential reclaimable and actual reclaimable amount per invoice and from this calculate a compliance percentage. Comparing the compliance level of one entity to another or one employee to another helps to identify areas where corrective action is needed.		✓
Customisation – Customise your foreign and domestic VAT recovery reports to include additional data fields that are important to you, eg: Department Names, Control Number, Employee Id Number, Sent for Payment date etc.		✓
